

Filming and Photography Rate Card

1. Overview

Leake Street Arches offers a unique tunnel environment for filming, photography, and content production.

The site is one of London's most distinctive urban locations, known for its evolving street art and unique tunnel environment.

All fees below are **guideline rates** and may vary depending on:

- Production scale & complexity
- Level of impact on public access/ tenants
- Space required (partial vs exclusive use)
- Time of day/ night
- Notice period

All filming is subject to approvals, insurance, and a location agreement.
